MRS MANNING'S MESSAGE

Dear parents and carers,
What a wonderful and festive week we have had at Trinity. The spirit of Christmas has truly filled our classrooms and school.

Christmas dinner day

On Wednesday, we all came together to enjoy a delicious Christmas dinner. The children were treated to a festive feast, with all the traditional trimmings! Packed lunches, and hot dinners all enjoyed pulling a cracker each and the happy smiles, laughter and singing was simply wonderful to be a part of.

Christmas Jumper Day

Today brought even more festive cheer as everyone donned their favourite Christmas jumpers for the day, from reindeer to snowman to sparkling snowflakes and Santa hats, the school was full of colour and fun.

Reindeer Run

We were also thrilled to take part in the St. Michael's Hospice Reindeer Run. The children showed great enthusiasm to raise much-needed funds for a fantastic cause.

Reindeer visit

What a treat for the children to get to meet Santa's very own reindeer. They had chance to pet them and tell them what they would like for Christmas, before they journey back to the North Pole. What a magical moment!

NEWS AND UPDATES: EYFS

Poppies, Bluebells and Buttercups were looking forward to Christmas dinner and it did not disappoint. The hall was decorated, the Christmas music was playing and, as well as a delicious dinner, there was a Christmas cracker for everyone. It was a very festive occasion with lots of smiles from EYFS!

NEWS AND UPDATES: Reading Assemblies

In our recent KSI reading assembly for International Day of People with Disabilities, Miss Goodfellow read 'What Happened to You?' by James Catchpole. This beautifully illustrated book tells the story of Joe, a young boy who navigates life with one leg. While playing a game of pirates, Joe encounters curious children who repeatedly ask him the familiar question: "What happened to you?". With humor and heart, the book explores themes of empathy, boundaries, and celebrating individuality, encouraging readers to look beyond differences. (Miss Goodfellow Year 2)

In KS2, to embrace the Christmas "spirit," I delved into the classic tale 'A Christmas Carol'. Through the character Of Scrooge, the story beautifully highlights the importance of kindness, generosity, and thinking of others During the festive season. It serves as a timeless reminder that the true joy of Christmas lies in Compassion and spreading happiness to those around us. (Mr Walker Year 5)

This is one of my absolute favourite books and I also highly recommend it – film adaptations great too! (Mrs Manning 😊)

NEWS AND UPDATES:

What a festive feast the children had on Wednesday. We are incredibly proud of how our pupils demonstrated all of our HEART values during this year's Christmas dinner. From the moment they entered the dining hall, the children showed impeccable manners. They waited patiently for their turn and interacted with one another in the most thoughtful and considerate way.

What a great time the children had buying Christmas gifts at the Christmas market this week. An amazing effort by the PTA wrapping 2,000 presents and the market was brilliantly run by our Year 6 pupils. Team Trinity at its best!

Another year and another very successful Reindeer Run in aid of St. Michael's Hospice. It was so lovely to see our Year 6 children supporting their buddies in EYFS. It was a fun-filled event that helped spread holiday cheer while supporting others in our community.
