## MRS MANNING'S MESSAGE

Dear parents and carers,

We hope this newsletter finds you well and warm! It's been another fantastic week here at Trinity, and while the snow and ice has certainly made its presence felt, it hasn't stopped us from having an enjoyable and productive time.

### Road Safety Week

Our amazing House Captains took on a leadership role and helped deliver assemblies to both our KS1 and KS2 children, sharing important road safety messages with their peers. Their enthusiasm and dedication were truly inspiring, and they did a fantastic job in raising awareness about how we can all stay safe on the roads.

Throughout the week, the children learned about Road Safety Heroes and explored key tips and strategies for staying safe, whether walking, cycling, or in a vehicle. From looking at pedestrian safety to understanding the importance of seat belts, our students were encouraged to think critically about how they can be responsible and vigilant when out and about.

## ATTENDANCE

EYFS	96%
Year 1	96%
Year 2	98%
Year 3	95%
Year 4	97%
Year 5	98%
Year 6	95%
Whole school	96%

## HOUSE POINTS

**Raglan 535**

**Ludlow 511**

**Goodrich 464**

**Chepstow 531**

## NEWS AND UPDATES: EYFS

Having listened to the story 'Goldilocks & the Three Bears' Reception tasted porridge...a perfect snack for a snowy day! Before eating their porridge, the children chose which topping they would like – blueberries, sugar or golden syrup. EYFS have also been busy making 'Autumn Art' inspired by the artist Andy Goldsworthy and Reindeer Gift Bags for the Christmas Fair.

# TRINITY NEWS

## NEWS AND UPDATES: Reading Assemblies

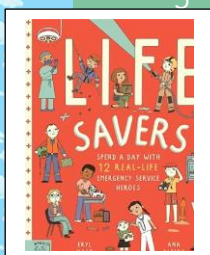

This week, I read a story called Matilda's Morning Adventures by Kim Chute. I chose this story because it teaches us how to travel to school safely which fits perfectly in with Road Safety Week. Matilda learns the important lesson of "Stop, look, listen, think" before we cross the road. The children were amazing at sharing ideas about how we can scoot, bike or walk to school safely. (Mrs Culley Year 2)

## KS2

For my reading assembly this week, we explored 12 real-life emergency service heroes by Eryl Nash.

This uplifting picture book showcases the amazing work our frontline staff do, the incredible skills they have and the important equipment they need to save a life. The illustrations in this book are beautiful and the stories are engaging and informative. Everyone who helps make journeys safer and healthier, or helps care for someone after a crash, is a road Safety hero. (Mrs Sampson Year 6)

## NEWS AND UPDATES:

Y3 showed fantastic engagement this week in computing by starting work on our stop frame animations. They planned their storyline using a storyboard, and began to take images, only moving the characters and objects the smallest amount, whilst keeping the background and their iPads in the same place. This helped to make the animation as smooth as possible. The children enjoyed seeing their scenes come to life and we cannot wait to do more work on these in their next computing lesson!

After a very cold, wintery start to the day on Tuesday, 5W 'lit a fire' and grabbed a book, what a great way to begin the school day!

## Donations Plea

Dear parents and carers, we are hoping you can help us with some items you may no longer have use of and would be willing

To donate to school. We need some small cause and effect toys such as, Jack in the box, pop up toys, spinning tops and anything that will grab children's attention with sound, movement or light. We also in need of any shape sorters, stacking toys such as stacking cups, Russian dolls etc. If you have any of this item that are good quality please send in with your child or pop in to the admi office.
