MRS MANNING'S MESSAGE

Dear parents and carers,

What a fantastic week it has been at Trinity! We've had a busy and exciting time with lots of memorable events, all of which have inspired our pupils and brought the school community together.

Year 6 Macbeth Interactive Retelling

On Thursday, Year 6 had the incredible opportunity to engage with the Young Shakespeare Company for an interactive retelling of Macbeth. The children were captivated as they participated in this dynamic performance, bringing the drama to life.

Pudsey Bear Visit

On Tuesday afternoon, we were thrilled to have a very special guest visit our school – Pudsey Bear himself! The children were delighted to meet the famous bear in person, as he posed for photos and spread cheer throughout the school. His visit certainly added to the excitement for Friday's Children in Need activities.

Children in Need Day

To round off the week, today was our much-loved *Children in Need Day*. The children showed their support for this fantastic charity by dressing up in their best spotty outfits.

NEWS AND UPDATES: EYFS

In maths Poppies, Bluebells and Buttercups have been learning all about the numbers one, two and three. The children were maths detectives, and they took it in turns to drop conkers on to a whiteboard. They then found groups of two or three and discussed what they noticed. What amazing mathematicians we have in EYFS!

NEWS AND UPDATES: Reading Assemblies

The Puffin Book of Fantastic First Poems: Mr Collins shared his love for poetry during Y1 to 3 reading assembly by sharing one of his favourite children's poem books. They discussed rhyming patterns, spotted different rhythms when reading aloud and shared poems that his sons enjoy listening to and learning off by heart. This book is a fantastic read for all children and it contains lovely illustrations throughout. (Mr Collins Year 3)

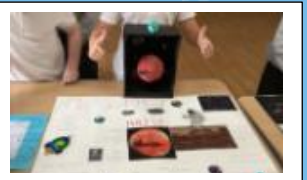

In the KS2 reading assembly Mr Land chose 'The Soul Bird' by Michal Snunit. He explained, it is a beautifully crafted book that resonates with readers of all ages. This enchanting story introduces the concept of a 'soul bird' that lives within each person, holding the keys to our feelings. The soul bird is depicted as a gentle guide, helping us understand our inner selves and navigate our emotions. (Mr Land Year 6)

NEWS AND UPDATES:

Wow! Our Year 5 pupils have truly gone above and beyond with their incredible Earth and Space projects this term. Their hard work and dedication have shone through in every detail, from creative models to informative presentations. The Year 5 team would like to extend a huge thank you to all the children for their outstanding effort—it really paid off! Well done, Team Trinity; we are so proud of you. Keep reaching for the stars.

Year 6 School Councillor Assembly: Pudsey Bear Awareness!

Our student leaders did a great job on Tuesday raising awareness for Children in Need on Friday and preparing for the Pudsey Bear visit that afternoon. Their independence and eagerness to create and share their own assembly ideas was wonderful to witness (and well-done Zander for being on camera duty - great picture!)

Reading Raffle Prize Winners

To encourage children to read regularly at home, we have enjoyed a fabulous afternoon of reading treats in the forest. Lucky pupils selected from our 'Reading Raffle' returned with a new book after a reading adventure in the forest, fuelled by drinks and snacks. We select each half term, and children know that if they read five times weekly, they're in with a shout!
