## MRS MANNING'S MESSAGE

Dear parents and carers,  
We hope this message finds you well! Despite the wet weather, we've had an exciting week filled with fun and learning here at school.

### Gruffalo Adventure!

Our Reception and Year 6 buddies embarked on a magical journey to Queenswood this week, where they went on a Gruffalo hunt! The previous day's rain didn't dampen their spirits as they explored the woods, searched for clues, and enjoyed each other's company. It was a fantastic opportunity for our younger and older students to bond and create lasting memories together.

### PTA Disco Delight

Meanwhile, our Year 2 and 3 students had an absolute blast at the PTA disco! The dance floor was alive with energy, laughter, and lots of happy faces. A huge thank you to our dedicated PTA volunteers for organising such a fun event and the staff for supporting the children during the disco. It's wonderful to see our pupils enjoying themselves and making new friends.

### Harvest Donations

As a reminder, our Year 5 students will be starting their Harvest collection for the food bank this Monday. We encourage all families to contribute non-perishable food items to support those in need in our community. Your generosity can make a significant difference!

## ATTENDANCE

EYFS	95%
Year 1	95%
Year 2	98%
Year 3	99%
Year 4	97%
Year 5	98%
Year 6	96%
Whole school	96%

## HOUSE POINTS

**Raglan 583**

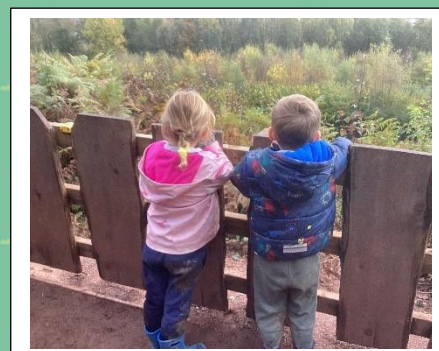

**Ludlow 568**

**Goodrich 587**

**Chepstow 687**

## NEWS AND UPDATES:

Reception had an amazing trip to Queenswood with their Year 6 buddies. Although it was muddy, the sun shone and the weather was just right. A play in the park and a walk through the woods was the perfect way to spend the day. Year 6 were fantastic role models and Team Trinity was definitely in action! Well done to all of Reception and Year 6 for being such a pleasure to take on the trip.

## NEWS AND UPDATES: Reading Assemblies

Mr Collins shared his son's favourite book called 'The Worrysaurus'. We talked about the message of the story being that we all have different emotions at different times and that is okay- it makes us who we are. We also discussed how some things are out of our control, and we should enjoy the happy moments. In the story, the dinosaur learnt to enjoy the fun moments, like picnics outside without worrying about the possibility of heavy rain and storms to ruin the picnic! (Mr Collins Year 3)

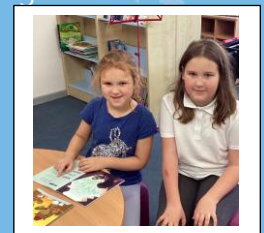

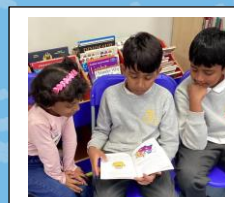

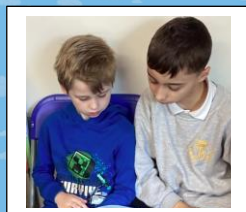

Continuing with Black History Month, I chose the book 'Little Leaders - Bold Women in Black History' by Vashti Harrison. This is a book about lesser-known female figures of black history. I decided to focus on Dr Mae Jemison, an engineer, physician and astronaut, as I've always been fascinated by space. Mae worked for NASA and was the first African American woman to go into space in 1987. She showed perseverance and determination to follow her dreams despite many obstacles that were in place. (Miss Steele, Year 4)

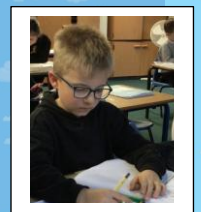

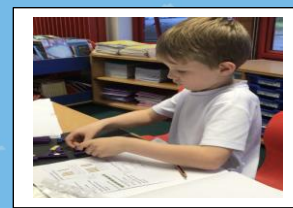

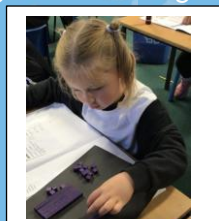

## NEWS AND UPDATES:

This afternoon, children from across the school enjoyed reading with their EAL buddies. Children who speak the same language are paired together to celebrate the diversity of Team Trinity. Here are some Year 2 children enjoying stories both in their home language and English.

Year 2 showed outstanding engagement and ambition in using base 10 for addition and subtraction, demonstrating a strong understanding of place value and the meaning behind the numbers in each calculation.

Y6 have been busy this week combining their science and DT skills. Their challenge was to design and make switches that control circuits. Lots of fun was had and there were some very creative designs for their torches! Next week they will have to evaluate their work and look at what they could improve.

We were so lucky that the sun shone on Thursday when Y6 went to Queenswood with their reception buddies. Such a lovely time was had by all, and we had lots of fun finding The Gruffalo and splashing in muddy puddles.
