MRS MANNING'S MESSAGE

Dear parents and carers,

We are thrilled to share with you the wonderful week of learning we've had here at school. From exciting new bike skills to impressive independent written work, a day of languages and scientific planting and growing, the children have truly shown their dedication, engagement and enthusiasm!

SEND coffee morning – Thursday 10th October

We would like to remind you to join us for our SEND (Special Educational Needs and Disabilities) Coffee Morning on **Thursday 10th October from 9:00 to 10:30 am**. This will be a fantastic opportunity to learn more about **Education and Health Care Plans (EHCPs)** and the application process to support children with additional needs. The **school nurse** will also be available to discuss any health-related concerns or questions you may have. We hope to see many of you there!

Thank you for your continued support. We look forward to sharing another exciting week of learning ahead. 😊

NEWS AND UPDATES:

Last week Reception started their fun Friday activities. Poppies showed curiosity and engagement when exploring the conservation area in their first Forest School session. Buttercups were healthy and engaged during PE and Bluebells used teamwork when putting on aprons and making fork biscuits in their first cooking session. It was fantastic to see our HEART values already in action in EYFS.

NEWS AND UPDATES: Reading Assemblies

During our KS1 reading assembly this week, Miss Goodfellow read 'It's a no Money Day' by Kate Milner. 'This powerful picture book tells the story of a Little girl and her mum's experience of a bare food cupboard on a day when there is no More money in mum's purse. Although mum feels embarrassed, her young daughter remains optimistic and sees the positive in all the no-money activities they can do like reading and drawing and even visiting the food bank, where she chats happily to a kind lady who gives her biscuits and squash. It's a book that encourages reflection and conversation, and I believe deserves a place in every classroom.' (Miss Goodfellow)

In KS2, Miss Roberts explored the book 'Wonder' by R.J. Palacio. 'I selected this book to help raise awareness of children who may feel or appear different to others, offering a glimpse into their experiences to encourage a shift in how others perceive and treat them. The children were very engaged and enjoyed the book's teaser, leaving many to want to read it themselves! (Miss Roberts)

NEWS AND UPDATES:

Our Year 6 students have made a brilliant start in their new roles. Here are the House Captains, School Councillors, Reading Ambassadors, EAL Reading Buddies and Door Monitors. They are all taking-on their new responsibilities with enthusiasm and should prove a great asset to our school. Thank you, Year 6.

Many of our Year 6's are now spending a day learning the road skills required to achieve their certificate for Level 2 in Bikeability. Steve and the team have been very impressed with the determination and standard of the children so far, despite some rather heavy downpours!

European Languages Day

This week Trinity celebrated European Day of Languages. We used this day to highlight to our pupils the importance of linguistic diversity and cultural understanding. We promoted the learning of different languages and celebrate the rich cultural heritages of our children throughout the school. The children participated in interactive activities such as quizzes, reading lessons and learning common phrases in various European languages. On the playground, we engaged in multicultural games and songs, creating an inclusive environment, embracing all cultures.
