TRINITY NEWS

MRS MANNING'S MESSAGE

Dear parents and carers,

A big thank you to Mr Richardson for taking of the newsletter reins, last week, while I was on the Year 6 residential. It was great fun, although I didn't expect to be taking part in the treetop challenge and zooming down a zipwire when I agreed to go!

End of year reports:

You will be receiving your child's end of year school report today and this year we are going 'green'. As part of our sustainability drive to be as carbon neutral as we possibly can, we will be sending reports electronically this year. If you do require a paper copy then you will be able to request one. If there is something particular in the report that you wish to discuss with the class teacher, then there will be an opportunity at our optional parents evening. This is only to discuss the content of the report; should you have any concerns.

Dogs on school site

Please remember Trinity is a dog free zone, apart from Winnie and support dogs, please do not bring them on site; even if carried in your arms.

ATTENDANCE

EYFS	94%
Year 1	95%
Year 2	96%
Year 3	91%
Year 4	96%
Year 5	94%
Year 6	93%
Whole school	94%

HOUSE POINTS

Raglan 199

Ludlow 187

Goodrich 314

Chepstow 237

NEWS AND UPDATES:

On Tuesday, the children from Treetots Nursery who are starting school in September, came to visit Reception. They had the opportunity to play with the children in Bluebells, Poppies and Buttercups and join in with a story time. At the end of the morning all the children enjoyed a 'Teddy Bears Picnic' together. Well done to our EYFS children for demonstrating our HEART values and giving the nursery children such a lovely welcome.

TRINITY NEWS

NEWS AND UPDATES:

Year 3 had a brilliant day on Wednesday with their Roman visitor! They looked at armour, listened to stories of the Roman Empire, took part in an archaeological dig, played Roman board games and discussed a battle with Roman formation. What an amazing day!

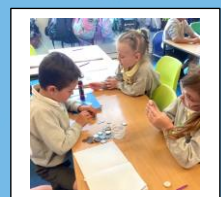

Team Trinity had a fantastic day at the Hereford School Games festival yesterday. Children were super engaged, respectful and showed great determination to try their hardest. A lot of fun was had by all of the children and they represented Team Trinity brilliantly 😊

NEWS AND UPDATES:

Year 2 have loved learning all about money in maths. They used their pretend coins and notes to make different amounts. Later in the week, they set up their own Year 2 shop, which helped children to understand how to solve problems, such as finding the right amount of change. All of the children enjoyed working together with the practical resources. We certainly have some business owners and accountants in the making! Next week, they will be learning how to use the column addition method for addition to help them prepare for Year 3.

Year 2 have also been busy this week using Scratch Jr. in computing. They learned that a sequence of commands has a start and an outcome. The children demonstrated great retrieval from Year 1.

This week saw our wonderful Year 4 pupils head to Boundless Outdoors, Malvern for a 2-night residential. Mr. Goodarzi reported it was a brilliant few days away, with some brilliant children, demonstrating such resilience, responsibility and growing independence. Well done Year 4. Thanks for the memories. The teachers are all beyond proud of you.
