MRS MANNING'S MESSAGE

Dear parents and carers,

Welcome back to the last half term of this academic year. It's been a great start with Year 6 production rehearsals in full swing and a fantastic Summer Concert showcasing our talent children last night.

Summer Fete

On Friday 21st June we are holding our annual PTA summer fete and this year the theme is The Olympics. The fete is such a good fundraiser for the PTA, who provide money for coaches to keep trip costs down, pay for each child to have a book at Christmas and currently are fundraising for a new minibus. However, we really need more parent help to put on such events and are only asking if you could spare some time to help on a stall or support with setting up or tidying away. The more volunteers we have the less the workload is for everyone. If you can spare, even just half an hour, please contact admin@trinity.hereford.sch.uk or speak with your child's class teacher. Thank you in anticipation.

NEWS AND UPDATES:

It has been another busy week in Reception. Having listened the the traditional tale of 'The Three Little Pigs' the children designed houses for the pigs with security features to stop the wolf getting in. They then used their amazing phonic knowledge to write sentences describing their houses. There was also great excitement on discovering that the broad beans they had planted in the winter were ready to pick. Lots of fun and engagement was had harvesting and eating them!

NEWS AND UPDATES: Reading Assemblies

In ks1 Miss McCarthy shared the book 'Oi Puppies!' by Kes Gray & Jim Field. She chose this book because it is a very funny, rhyming read-aloud picture book and the children loved joining in with the rhyming parts about a group of cheeky puppies who just wouldn't sit still!

In KS2, Mr Land explained that sometimes you come across a story that spikes your interest and 'Malamander' by Thomas Taylor is just one such quirky tale.

Quirky humour, an eerie atmosphere, mystery filled adventure and twists and turns a plenty, this tale is a quick(ish) read with unusual characters, mermonkeys, monsters and magic. The introduction itself sets the scene and almost challenges the reader to read on. As for Malamander itself: *'It's a monstrous creature – half man, half fish, half goodness-knows what – that has haunted these misty shores since before ever a town was built on Eerie Rock...'*

NEWS AND UPDATES:

Year 1 have had a super first week back! The children took part in Money Sense Day where they considered the difference between things we want and things we need, as well as ways in which money can be earned. Also, 1B returned to forest school this week and enjoyed finding mini beasts and observing the seasonal changes in the forest school environment since their last visit.

Would you trust your child with the weekly budget? Maybe after this week you will! A huge thank you to Jess and Greg from Barclays, who came in on Tuesday morning to deliver a brilliant money skills workshop to our Year 4 pupils. The children learned about income, expenditure, saving and budgeting. They had a go at planning a party where they had to break even, and then headed online to complete the weekly shop with a £50 budget. Incredible engagement from all pupils, and they gained some valuable life skills.
