## MRS MANNING'S MESSAGE

Dear parents and carers,

Another festive week has flown by here at Trinity with our youngest children in the school performing their Christmas productions so brilliantly. It's such a privilege to be able to share in the children's excitement, delight and wonder at this time of year

### Christmas end of term

We only have one more week of term before we break up for the Christmas break. It has been a long 15 weeks and we are breaking up a week later than last year. With this in mind, on the last day of term, Friday 22<sup>nd</sup> December, school will close as soon as the children are dismissed at 3.30. Our after-school provision will also not run on the last day of term; parents using afterschool club have already been informed of this.

### Parking at the Range:

I have received a letter from Herefordshire Council regarding some of our parents parking in the trading estate and not using the Range carpark. The Three Elms trading estate is private land and they will be enforcing sanctions if the situation persists.

## ATTENDANCE

EYFS	96%
Year 1	97%
Year 2	97%
Year 3	95%
Year 4	99%
Year 5	95%
Year 6	95%
Whole school	96%

## HOUSE POINTS

**Raglan 397**

**Ludlow 306**

**Chepstow 380**

**Goodrich 239**

## NEWS AND UPDATES:

After lots of hard work learning the songs and practising acting on the stage, Reception had great fun performing their first school nativity. They did a performance for nursery and two performances for their families. What an amazing cast of shepherds, sheep, travellers, angels, stars, innkeepers, kings, camels... and not forgetting Mary, Joseph and Grumble the donkey!

## NEWS AND UPDATES:

As we approach the next school holiday, it is fitting that we celebrate the selflessness of one of our pupils during the last break. Normally, a week off is a time to relax, but for Henry in 4G, October half term was a time to give back. On every single day except one – including both weekends - Henry spent his entire day, for hours at a time, in Morrisons, Hereford, volunteering and collecting for the Poppy Appeal. He was joined along the way by various family members, and by the end, they had raised a staggering total of £8962.85 in Morrisons. A remarkable act of dedication, selflessness and sacrifice, and we are exceptionally proud of you.

## NEWS AND UPDATES:

It was not only our Reception children that showed off their acting talents this week. Year 1 and 2 also put on a stella performance of Christmas around the World! We were transported to Hawaii, Africa, China and Spain to name a few countries. Thank you to all of the staff and parents and carers who helped the children learn lines, create costumes and supported them at each performance – the children were amazing.

Year one had a great time when they visited the Hereford Courtyard on Thursday to watch Goldilocks. They followed Goldilocks on an exciting journey and heard her side of the story! The children displayed our HEART values throughout and the teachers said they were an absolute pleasure to take. 😊
