## MRS MANNING'S MESSAGE

Dear parents and carers,

Welcome back to the 2<sup>nd</sup> half of the autumn term. We have had a great first week with lots of activities including; the Year 5 planetarium exhibition, the tragedy of Macbeth and our KS1 phonics workshops.

### Christmas Fayre:

Following the success of last year, we are holding another Christmas Fayre on Friday 8<sup>th</sup> December 3.30 until 5pm and are very much in need of parent helpers. Volunteering will be split into 30-minute slots, so all volunteers have time to enjoy the fayre and spend time going around with their children.

We have 6 parent volunteers so far, which really isn't enough to run the event. If you are able to offer 30 mins of your time, to help out, then please email [pta@trinity.hereford.sch.uk](mailto:pta@trinity.hereford.sch.uk) or speak to a member of staff.

### Easyfundraising:

With Christmas shopping on the horizon, please remember to use Easyfundraising every time you shop online you can raise FREE donations for our school

[Trinity Easyfundraising register here](#)

## ATTENDANCE

EYFS	94%
Year 1	96%
Year 2	94%
Year 3	97%
Year 4	97%
Year 5	96%
Year 6	96%
Whole school	96%

## HOUSE POINTS

**Raglan 656**

**Ludlow 700**

**Chepstow 688**

**Goodrich 651**

## NEWS AND UPDATES:

Having listened with engagement to the story 'What's in the Witch's Kitchen' Reception drew amazing pictures of the witch and her house and used their phonic knowledge to write secret codes and spells. They also used their fine motor skills to mix red and yellow playdough to make orange. They then used the playdough to make spooky pumpkins.

# TRINITY NEWS

## NEWS AND UPDATES:

During story time in 2C this week, several children shared stories they had written independently at home.

Year 4 started their new R.E. topic by looking at the importance of baptism within Christianity. The children used white oil pastels to write or draw a message and then used watercolour over the top to reveal. This activity symbolised that for Christians, when they are baptised, they are publicly declaring who they are, revealing their beliefs.

## NEWS AND UPDATES:

This week saw the return of our annual Space exhibition. Year 5 had the opportunity to showcase their amazing space projects. The children were tasked with creating their favourite planet in our solar system, they researched facts to share with other year groups, teachers, parents and carers. All of the children loved presenting their hard work at the science fair, it was fantastic to see how creative our children are and they really knew their facts! Well done Year 5, HEART value of engagement at its finest. 😊

Year 6 saw the return of murder, mayhem and lots of toil and trouble when the Scottish play (Macbeth) turned the school hall into the royal palace in Dunsinane. The children had a fully immersive experience and took on key roles in the production.
