## MRS MANNING'S MESSAGE

Dear parents and carers,

Well, we have finished our first half term of this academic year and I cannot believe how quickly it has flown by and how engaged the children have been in their learning.

### Well done to Daphne:

On Sunday, Daphne in Year 5, completed a walking challenge along with her sister, Martha, to walk the length of the Malvern Hills – 17 hills totalling 11 miles of ups and downs! On completion Daphne said, *'It was tough because some of the hills were really steep, but the views from the top were amazing.'* Funds were raised in memory of her cousin for the Hereford Sands and the Born sleeping Appeal to help and support other families who experience the loss of a loved one. The just giving fundraising page is still open:

<https://www.justgiving.com/crowdfunding/walkingforreuben>

A fantastic achievement demonstrating our HEART values are not just for school 🌟

## ATTENDANCE

EYFS	98%
Year 1	96%
Year 2	98%
Year 3	97%
Year 4	97%
Year 5	96%
Year 6	98%
Whole school	97%

## HOUSE POINTS

**Raglan 569**

**Ludlow 541**

**Chepstow 650**

**Goodrich 502**

## NEWS AND UPDATES:

It has been a super spooky day in Reception today. The children all looked amazing in their costumes, they were so good that the teachers had trouble recognising some of them as they came through the gates this morning! They spent the afternoon doing all things spooky including watching Room on the Broom and doing the Monster Mash at their Halloween party. That you so much to the PTA for helping organise the event.

## NEWS AND UPDATES:

Our reading raffle winners went on an exciting trip today to the Children's Bookshelf in town, where they were able to browse lots of lovely books in the shop and even pick one of their own choice to take home! There were lots of lovely titles in the basket at the checkout and we hope they enjoy sharing them with you. Keep reading for a chance to win next term!

## NEWS AND UPDATES: RECOMMENDED READS

As part of their D&T unit on Food and Nutrition, Year 2 have loved preparing a Jam Jar Salad! They have been learning all about the nutrients we get from eating a variety of vegetables and learnt a range of techniques to cut safely, including the claw and bridge method. This afternoon, they evaluated their salads. It has been wonderful seeing the children being excited about eating a balanced, healthy diet.

Have you ever heard of [Quizizz.com](https://www.quizizz.com)? In Year 4 this week, our pupils have used this fantastic interactive quizzing resource to put their knowledge to the test and see what they could remember from their previous lessons. It's great to see them so focused and engaged, and remembering so much. Give it a go – potential fun for all the family!
