MRS MANNING'S MESSAGE

Dear parents and carers,
What an exciting and action-packed week it has been at Trinity, and I am thrilled to share some of the highlights with you:

On Monday, our talented choir had the incredible opportunity to perform at the BP Arena in Birmingham, joining around 5,000 other pupils for the spectacular *Young Voices 2025* concert. It was an unforgettable experience for our young singers, who had the chance to be part of the largest children's choir in the world!

In addition, our Year 1 pupils had a special visitor this week – an inspiring polar explorer! The children were captivated as they learned about life in the extreme conditions of the polar regions, sparking curiosity and excitement about the world around them.

Meanwhile, our Year 6 students embarked on their Purple Leaf sessions. These sessions are designed to offer valuable personal development opportunities, where our older pupils explore important life skills and ways to manage their well-being, all while fostering teamwork and reflection.

It's been a week full of learning, inspiration, and memorable moments, and we look forward to more exciting events in the coming weeks.

Thank you for your continued support.

NEWS AND UPDATES:

After only a term in school, EYFS are already writing simple sentences. This week, having read the story 'Supertato', they created their own vegetable superheroes and used their phonic knowledge to write about the story. What an amazing demonstration of our HEART values of engagement and ambition from our youngest learners!

NEWS AND UPDATES: Reading Assemblies

'Calm Down, Cooper' by Lily Murray and Anna Chernyshova is a heartwarming story about a Young dog named Cooper, who struggles with managing his emotions. When Cooper becomes overwhelmed by excitement; his friends help him find ways to calm Down. It encourages us to take a moment to breathe and find calm in moments of Stress. This story links to emotions with positive coping strategies, shows the importance of empathy, recognising and understanding emotions, particularly frustration and excitement. (Miss Lewis year 2)

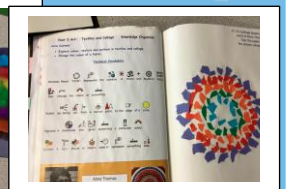

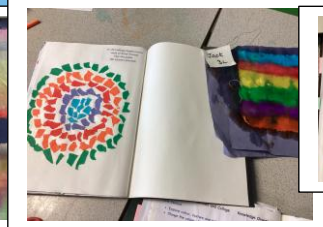

In KS2, Mr Lane read 'The wolf Wilder' by Katherine Rundell. It is a beautifully crafted tale of courage, Friendship, and the bond between humans and nature. Set in the snowy wilderness of Russia, it Follows Feodora, a brave girl who trains wolves to be wild again, as she fights to protect her pack and stand up against injustice. (Mr Lane, Year 6)

NEWS AND UPDATES:

In art, Y3 are making Mandala's, which are a geometric configuration of symbols, linking to Hinduism and Buddhism religions. The children first researched about Mandala's, practised making one in their books, before experimenting with tie dye today, learning about changing the colour of fabrics. Superb engagement from everyone!

This term, Year 5 children are diving into the fascinating world of explorers! As part of their English curriculum, they are researching the incredible life of Sir David Attenborough to create their own biographies.

To kick off the unit, the children participated in an exciting experience day. They explored captivating facts about David Attenborough and brought history to life by making their own detailed fossils out of salt dough. Each child created a fantastic fossil, adding wonderful detail and creativity to their work. What a brilliant start to the term! Well done, Year 5!

NEXT PTA MEETING

The next **Trinity Primary PTA** meeting will be at 3.30pm in 2GP on Monday 27th January. To allow more parents to join the PTA, we have scheduled this meeting to an earlier time. Children are also welcome to attend, and activities will be provided to keep them entertained.
