## MRS MANNING'S MESSAGE

Dear Parents and Carers,

We hope you all had a wonderful and restful half-term break! It's been fantastic to welcome the children back to school, and we can already see how refreshed and ready they are to dive into their learning. Even the sun has decided to join us, making for a bright and positive start to the new term.

This half-term, our HEART value focus is Respect. We will be encouraging the children to show respect for each other, the school environment, and beyond. It's a value that we hold dear and believe is essential in creating a nurturing and supportive learning community.

A quick reminder that World Book Day is just around the corner! We'll be celebrating on Friday, 7th March. This is always a wonderful opportunity for the children to express their creative sides. They are invited to dress up as their favourite book character and bring along a book to contribute to our annual book swap. It's a great way to share the joy of reading with others, so we hope everyone will get involved.

Thank you for your continued support, and we look forward to another great half term ahead!

## NEWS AND UPDATES:

With Shrove Tuesday (aka pancake day) fast approaching, this week Reception enjoyed listening to the story 'Mr Wolf's Pancakes'. They then worked together and made maps to help Mr Wolf find his way to the shop. They also had great fun pretending to make pancakes with the flour. Excitement is building in EYFS for pancake tasting next Tuesday!

## NEWS AND UPDATES: Reading Assemblies

In this week's reading assembly, we explored Roald Dahl's "Revolting Rhymes". The children have been busy learning poems, preparing for Poetry by Heart, so we thought we would explore some of Roald Dahl's humorous rhymes. Each of these rhymes is based on a fairy tale, but with a twist, and the children particularly enjoyed listening to "Jack and the Beanstalk". This was one of my favourite books when I was younger, and it was great to see the children enjoying the rhymes today. Mr Collins (Year 3)

This week, I have chosen the magical story of Pinocchio by Michael Morpurgo, where we explore the classic tale of a wooden puppet who dreams of becoming a real boy but from the perspective of himself! This version brings a fresh twist with new, fascinating characters. My favourite characters are the Lame Fox and the Blind Cat. They have many moments of mischief but sometimes moments of unexpected kindness can teach us that people aren't always how they first seem! Miss Steele (Year 4)

## NEWS AND UPDATES:

Year 2 had a fantastic time in phonics, searching for different spellings of the /g/ sound in books from our reading corner. They also began their new maths topic with an exciting experience day focused on length, height, and capacity! They took part in a range of hands-on activities, measuring objects, comparing heights, and exploring capacity.

Exciting times at Trinity! Hoodies are in! And some very pleased year 6 children.

The Year Six Leavers' Hoodies arrived this week - we think they look amazing. We know we still have a lot of the academic year to go, but we feel it is important they have the opportunity to get the wear out of the coveted hoodies and they can be worn every day till we break up in the summer.

Year 6 had a fantastic start to their basketball lessons in PE, making the most of the glorious sunshine! ☺ They practised a variety of dribbling skills, showcasing great energy, determination, and teamwork as they mastered the fundamentals.
