TRINITY NEWS

MRS MANNING'S MESSAGE

Dear Parents and Carers,
As we fast approach the end of the school year, the final weeks are proving to be as busy as ever – packed with new learning, exciting activities, and memorable experiences for all our pupils.

This week, it was Year 4's turn to enjoy their residential trip to the Malvern Outdoor Learning Centre. The children embraced the opportunity to explore the outdoors, challenge themselves with new activities, and build independence – all while having a fantastic time with their classmates.

Meanwhile, Year 6 are fully immersed in rehearsals for their end-of-term production. The excitement is building, and we can't wait to see their hard work come together on stage. It's always a highlight of the school year and a wonderful way to celebrate their time at Trinity.

We're also proud to share that some of our pupils represented Trinity at this year's Summer Games Festival, held at the Hereford Leisure Centre. They demonstrated great sportsmanship, teamwork, and enthusiasm, and we are incredibly proud of their efforts and achievements.

As always, thank you for your continued support. We look forward to final two weeks ahead and sharing even more special moments with you as we close out another fantastic school year.

Ludlow 453

Goodrich 348

Chepstow 297

NEWS AND UPDATES:

This week Reception have been learning all about maps. Having listened to the story 'Rosie's Walk', the children made and labelled maps of the farmyard showing the route Rosie took. In preparation for transition morning next Monday, they also went on a walk to Year 1 and then mapped the route using the wooden blocks.

NEWS AND UPDATES: READING ASSEMBLIES

My Path by Jana Curll shares values of individuality, courage, and self-trust. The story follows a young snail exploring their own path, showing that it's okay to make different choices. It teaches that making mistakes is part of learning and growing. The book reminds us that we take our time, move at our own pace, and that it's okay to ask for help along the way. (Miss Lewis, Year 2)

To mark the exciting start of Wimbledon, my reading assembly this week took inspiration from the world of tennis — not just the sport, but the stories behind it. I chose to read Sisters by Jeanette Winter, a touching picture book that tells the story of Venus and Serena Williams, two sisters who rose from humble beginnings to become champions on the global stage. The book beautifully highlights the power of perseverance, family, and following your dreams, no matter the obstacles.

(Mrs Sampson, Year 6)

NEWS AND UPDATES:

Year 5 had a fantastic day at Whitecross High School, where they got a taste of high school life through a range of exciting activities, including Drama, Design & Technology, and Art. The children demonstrated excellent enthusiasm and engagement throughout the day, proudly displaying our Trinity HEART values while also embracing Whitecross's core values of kindness, respect, and hard work. ❤️

Year 4 had a fantastic time in Malvern this week, filled with fear-facing, sandwich-making, tree-swinging, and just a little bit of not-sleeping! The children embraced every challenge with enthusiasm and resilience, and we're proud to have returned some wonderful (and very tired!) Year 4s who will no doubt sleep well tonight. We've captured plenty of special moments and look forward to sharing more photos with you in the coming days (signal in Malvern, patchy at best!)
