MRS MANNING'S MESSAGE

Dear Parents and Carers,

What a fantastic and fun-filled week it has been at school! We are thrilled to share that some of our exciting **OPAL (Outdoor Play and Learning)** zones officially launched this week – and what a hit they've been! Children have been loving the **dress-up station**, enjoying some magical **bubble fun**, and getting hands-on in our brand-new **sandpit**. It's been wonderful to see so much creativity, teamwork, and laughter during lunchtimes.

In addition to the fun outside, this week also marked a special moment for our **Year 6** pupils, as we proudly introduced our new **House Captains, School Councillors, and Reading Ambassadors**. These roles are a fantastic opportunity for our pupils to develop their leadership skills and play a vital part in supporting and shaping our school community. Congratulations to all those selected – we know you'll do a brilliant job!

There's also been a real buzz in the classrooms, with the launch of **TT Rockstars!** Children across the school have jumped straight into the challenge, competing to climb the leaderboard with their multiplication skills. It's been great to see such enthusiasm and determination – we can't wait to see who ends up at the top next week!

Thank you, as always, for your continued support. Have a lovely weekend!
