## MRS MANNING'S MESSAGE

Dear Parents and Carers,

What a wonderful, festive week we've had in school! The Christmas spirit has certainly continued to shine through our learning and activities.

### A Very Special Visitor

On Monday, the children were absolutely thrilled to welcome **Santa himself** to school! He listened carefully to their Christmas lists and even brought along an *early present* for each of them. The excitement was truly magical.  

### Nativity Performances

A huge well done to both **Reception** and **Year 2** who shone so brightly on stage during their nativity plays. The children performed beautifully, and it was wonderful to see so many proud parents and carers in the audience.   

### Learning Within the Festivities

Even with all the Christmas cheer, our curriculum learning is still going strong:

- **Year 2** enjoyed a fantastic visit from **Elliot the vet**, who brought along some animals to support their science topic. The children were fascinated!  
- **Year 6** managed to dodge the rain and took part in a fun and lively **Tag Rugby session** outdoors. Great teamwork and resilience all round!  

## ATTENDANCE

EYFS	92%
Year 1	95%
Year 2	94%
Year 3	97%
Year 4	95%
Year 5	95%
Year 6	92%
Whole school	95%

## HOUSE POINTS

**Raglan 411**

**Ludlow 381**

**Goodrich 317**

**Chepstow 389**

## NEWS AND UPDATES:

It has been another week of Christmas festivities in EYFS this week with a visit from Santa and his reindeer. Reception also gave an amazing performance of their nativity... they truly shone in their joyful production of 'A King is Born'. From 'It's a Squash and a Squeeze' to 'Joyful News' the children sang their hearts out and acted the story with confidence and charm. We are so proud of every single one of them.

## NEWS AND UPDATES:

In honour of Human Rights Day, for our reading assembly I chose to read *Every Song a Child* by Nicola Davies, illustrated by Marc Martin. This book gently reminds us of the importance of every child's voice and rights. The story highlights the power of children's creativity and expression, showing that every child deserves to be heard, valued, and celebrated. Through its lyrical text and vibrant illustrations, the book carries a clear and important message: no matter who you are or where you come from, your story matters, and your voice can make a difference. Mrs Sampson

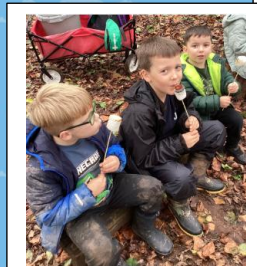

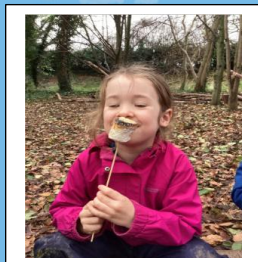

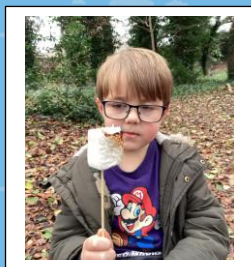

Thank you to all parents and carers for your incredibly generous donations towards the *St Michael's Hospice Reindeer Run*. Your kindness and support helped us raise an amazing £708! 🎉❤️ The children had a wonderful time taking part, and your contributions will make a real difference to a very worthy cause. Thank you for helping to spread festive cheer and community spirit! 🎄🦌

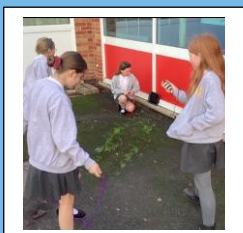

## NEWS AND UPDATES:

Year 1 had a very special visitor this week. Father Christmas came to the grotto and the children had a wonderful time singing Christmas songs, naming all of his reindeer and even receiving an early Christmas present! 🎄🧑🏻🎅📺 Fun, learning, and marshmallows!

IM had an amazing time at Forest School this week practicing fire safety and enjoying a tasty, toasted treat. 🔥🍌

Fun in the sun – an extended Tag Rugby session with year 6 honing their passing, running and tackling skills. Great to be around – well done team!

Great work, Year 6!

This week, you defined your hypotheses, designed fair tests to raise your heart rate, measured carefully, repeated your investigations, recorded your results and plotted your graphs. You then thought deeply about what your results showed and linked everything back to our learning about circulation and the heart. Fantastic scientific thinking, Year 6! ❤️📊🍌
