MRS MANNING'S MESSAGE

Dear parents & carers

It has been a truly fantastic week in school, made even better by the beautiful sunny weather. The children have made the most of every opportunity to learn and explore outdoors, and it has been wonderful to see such enthusiasm across all year groups.

Year 2 have been particularly busy as habitat explorers, investigating both woodland and grassland environments around the school. Their curiosity and engagement have been lovely to see as they developed their understanding of the natural world right on our doorstep.

We were also delighted to hold our first PTA Family Quiz Night. A huge thank you to all the staff and parents who supported the event - your involvement makes such a difference. The vital funds raised through events like this directly benefit the children and help us to continue providing enriching experiences for them all.

Finally, don't forget that the school week is extended to Sunday with the Trinity Junior Parkrun. We hope to see many of you there, ready for a 9.00 start! 🏃🏃🏃

Goodrich 490

Chepstow 521

NEWS AND UPDATES: EYFS

In Science Reception have been learning about the seasons, plants and things that grow. Having read the story Jasper's Beanstalk the children each planted their own little pot of cress seeds. They have taken them home to look after and can't wait to see them grow!

TRINITY NEWS

NEWS AND UPDATES:

The Bug Collector by Alex G. Griffiths highlights values of curiosity, kindness, respect, and a gentle approach to living things. The story shows how a child learns to care for insects rather than control them, encouraging empathy, responsibility, and an understanding that even the smallest creatures deserve care. This week we had World Earth Day, and the book reinforces the importance of being kind and gentle towards nature, caring for habitats and protecting small creatures. (Miss Lewis, Year 2)

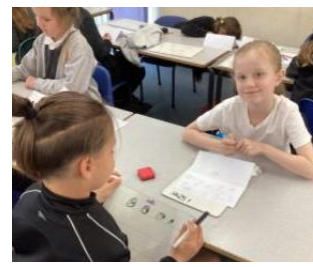

This week, I chose to read the first chapter of Kensuke's Kingdom by Michael Morpurgo. It is wonderful story about adventure, survival, and an unexpected friendship that develops in extraordinary circumstances. This book is a great choice for young readers, with engaging characters, an exciting plot, and themes that encourage thoughtful discussion. Our Year 6 children are currently using this text as inspiration for their writing, and it has proved to be a fantastic source of ideas. They are exploring and writing in a range of different genres, drawing on the rich descriptions and themes within the story. (Mrs Sampson, Year 6)

NEWS AND UPDATES:

Year 3 have begun their new topic on money with a fun and engaging "Experience Morning." The classroom was transformed into a range of role-play shops, giving children the chance to take on the roles of both shopkeepers and customers. They enjoyed buying items, handling money and practising how to work out the correct change.

This afternoon, we celebrated with the latest group of reading raffle winners. Pupils who read regularly are in with a chance of a treat session in our conservation area with a book of their very own to take home. This group were thrilled with their reading adventure, and we'll be drawing names again before half term so get reading - you've got to be in it to win it!
