## MRS MANNING'S MESSAGE

Dear Parents and Carers,

What a wonderfully busy and productive week we have had in school! The children have embraced a wide range of fun learning opportunities, showing great enthusiasm, curiosity, and teamwork across all year groups. From collaborative projects in the classroom to active outdoor learning, it has been fantastic to see such positive engagement and support for one another.

**Walk to School Week** – Week Beginning 18th May  
A reminder that the week beginning 18th May is Healthy Schools and Walk to School Week. It promises to be a busy and exciting time, with lots of activities happening across the school. To kickstart the week, we would love to begin with our Fancy Foot Parade – please encourage your children to wear their brightest and most colourful pair of shoes!

### Parkrun Community Event

Thank you for your time and effort at last Sunday's parkrun – especially if you were able to register your volunteer efforts. We had **8 registered volunteers**, many more helpers, and an incredible **146 finishers**.

It was truly a lovely hour celebrating everything our community has to offer—thank you for being part of it. As always, thank you for your ongoing support.

## ATTENDANCE

EYFS	97%
Year 1	94%
Year 2	96%
Year 3	96%
Year 4	98%
Year 5	95%
Year 6	96%
Whole school	97%

## HOUSE POINTS

**Raglan 602**

**Ludlow 507**

**Goodrich 557**

**Chepstow 533**

## NEWS AND UPDATES: EYFS

Poppies have been enjoying their cooking sessions this half term. This week, having read the story 'Oliver's Vegetables', they used their amazing chopping and mixing skills to make a pasta salad. It looked delicious and smelled really fresh. We definitely have budding chefs in Poppies!

# TRINITY NEWS

## NEWS AND UPDATES:

We have had another fantastic OPAL week this week! In our Assembly, we were thrilled to award the golden welly to Connor in Year 4 for being a superb member of Team Trinity at lunchtimes. We have finalised some negotiations with children around using pallets and wood to support their play at lunchtimes, with some excellent suggestions, so we will bring some pallets into their play. If you happen to have any pallets at home, we will happily take them off your hands to check them before accessing their play potential at school!

Introducing		
<b>Benefits - why are pallets and planks good to play with?</b> Imaginative play - platform, bed, walls, shop front Physical play - hiding, obstacle course	<b>Risks - What could go wrong?</b> Falling over on somebody Splinters Foot/hand caught in the gaps Hurt through lifting - too heavy	<b>How can we make pallet and plank play safe enough?</b> Always reinforce standing pallets Don't stroke pallets Don't stack flat pallets 2 or 4 to lift a pallet

## NEWS AND UPDATES:

Kestrels class had a great time at the Leominster May Fair this morning for one of their enrichment activities. 🎡

Thank you for supporting us last Sunday at the Hereford Leisure Centre Junior Park run. 🏃

2D have been enjoying their experience day all about Little Red Riding Hood, which links to our new book, Little Red Reading Hood. We have also enjoyed the sunshine and taken Maths outside, focusing on halving numbers into two equal groups.
