MRS MANNING'S MESSAGE

Dear Parents and Carers,

What a busy week we have had, despite it only being a four-day week after the bank holiday!

Across the school, the children have been working incredibly hard and enjoying lots of exciting learning opportunities. Year 1 have been getting creative by making fantastic pop-up penguin cards, showing great care and imagination in their work. In Year 2, the children impressed us all with their fantastic rhythm and enthusiasm during their dance lesson, bringing lots of energy and smiles to the hall. Meanwhile, Year 4 have been taking a practical approach to maths, exploring how to divide 1 and 2 digit numbers by 100 using hands-on activities to deepen their understanding.

We have ended the week with our class photographs, and it was lovely to see all of the children looking so smart as they came into school this morning. Thank you for your continued support in helping the children arrive ready for school each day.

We hope you all have a lovely weekend.

NEWS AND UPDATES: EYFS

This week Reception were fascinated by caterpillars and the lifecycle of a butterfly. They listened to the story 'The Very Hungry Caterpillar' by Eric Cattle which inspired them to hunt for caterpillars in the outdoor area... they found lots! They then used their amazing phonics skills to write about the lifecycle and they also made bug fossils with the playdough.

NEWS AND UPDATES:

Today in reading assembly we read, "A Hero Called Wolf" by Lucy Rowland. This story is all about a misunderstood wolf who proves that true heroism comes from courage and kindness. The book follows Wolf as he faces danger, overcomes fear, and protects others, challenging the idea that wolves are something to be afraid of. Through Wolf's journey, Wolf comes across many other characters who need a friend to help support them in different ways. This book links closely to our HEART values of Respect and Team Trinity, as well as promoting a love for reading! (Miss Dawson, Year 2)

Today's assembly focused on raising awareness for Deaf Awareness Week. The children were engaged from the very beginning, especially when they noticed that my voice did not match my lip movements. This quickly led to discussions about the importance of lip reading and sign language in communication. During the assembly, the children had the opportunity to learn some sign language, which they thoroughly enjoyed. It has been wonderful to see many of them continuing to use the signs they learnt during break and lunchtime to communicate with their friends. (Miss Roberts, Year 5)

NEWS AND UPDATES:

Honestly, Trinity is showing off again... 🍊🌱

Best grounds ✓

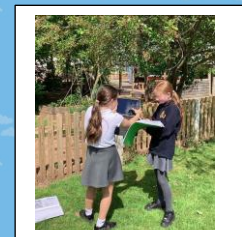

Best teachers planning brilliant learning opportunities ✓

Best children ✓

And the best weather ('specially ordered)

Here's Year 6 out investigating how different environmental features affect plant growth.

Science in the sunshine: Year 6 learning at its best. 🌿🔍 (Mr Land, Year 6)

Year 2 have been enjoying reading a collection of fairy tales during our reading lessons. In our extended reading lesson, we focused on reading with expression and intonation. This morning, 2G read Rumpelstiltskin, and the children confidently demonstrated how to finger-track under the visualiser, helping one another to read fluently. It was wonderful to see the class supporting each other and bringing the story to life through expressive reading.
