MRS MANNING'S MESSAGE

Dear Parents and Carers,

What a productive and positive week we have had in school! This week, our Year 6 pupils completed their Key Stage 2 assessments (SATs). We are incredibly proud of the maturity, resilience and determination they have shown throughout the week. They approached each day with a fantastic attitude and should all feel very proud of themselves.

At the other end of the school, our youngest pupils thoroughly enjoyed their visit to Hereford Cathedral. The children represented the school beautifully and had a wonderful time exploring and learning in such a special setting.

Next week is our Healthy Schools and Walk to School / Be Active Week. We have lots of exciting activities planned to encourage everyone to think about healthy lifestyles and being active each day.

We will be kicking the week off with our "Fancy Footwear Day" on Monday. Children are invited to wear colourful or bright footwear with their school uniform. Please ensure that footwear remains appropriate and safe for school activities. Please note that crocs or shoes without a secure back are not permitted.

Thank you, as always, for your continued support. We hope you all enjoy the weekend.

ATTENDANCE

EYFS	95%
Year 1	90%
Year 2	94%
Year 3	96%
Year 4	97%
Year 5	94%
Year 6	98%
Whole school	95%

HOUSE POINTS

Raglan 396

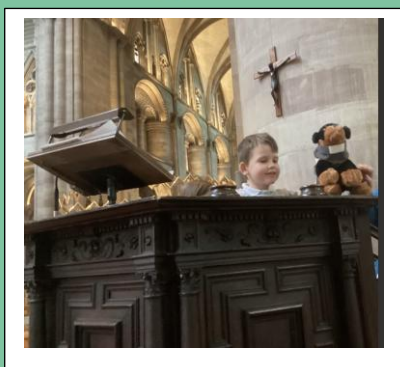

Ludlow 353

Goodrich 440

Chepstow 425

NEWS AND UPDATES: EYFS

Reception had an amazing visit to Hereford Cathedral this week. They enjoyed listening to a story and exploring the Cathedral learning why it is a special place. They were all thoughtful and respectful throughout the morning. Thank you Trinity PTA for supporting with the cost of this lovely experience for EYFS.

NEWS AND UPDATES: OPAL

This week, we have been having lots of fun digging, mixing and making in the mud area – it's amazing to see the changing play with the seasons – it's a very different feeling to January mud!

Thanks for all of your donations so far towards the OPAL bingo challenge – please keep them coming in next week. If in doubt of something's play value, please do ask! On June 11th, we'd love to invite you to join us for an extended OPAL session from 1:30pm. We will invite you into school from the office before giving you an opportunity to get stuck in with the play until the end of the day! Please see attached invite and info pack for more information.

NEWS AND UPDATES:

Trinity SATs: absolutely smashed it!

What a fantastic job our year six children did this week. They tackled reading, grammar and maths with enthusiasm and dedication, and we could not be prouder of every single one of you.

Of course, SATs only measure a tiny part of who you are. Next, we'll be "testing" all the things that are also important: your singing, acting, dancing, leadership, fun, kindness, tolerance, pride, empathy, compassion, friendship, perseverance and resilience – the vital qualities that make you fantastic people. You have all been magnificent this week and we hope you enjoyed the pizza, biscuits, ice cream and crisps. 🍕🍦🍪

Year 3 have been incredibly creative in their English lessons this week! As part of their work on explanation texts, the children designed their own dog food for the robot dog they are writing about. They came up with imaginative brand names and logos, and carefully selected and listed ingredients for their box designs. We were so impressed with their creativity and enthusiasm!
