TRINITY NEWS

MRS MANNING'S MESSAGE

Dear parents & carers,

We started the week as we always do, with excitement and anticipation. Our Year 6 children set off bright and early on Monday morning, packed and ready for their three-day residential visit to Bristol. They had a fantastic time, making wonderful memories, developing their independence and representing our school brilliantly.

By Wednesday, however, our focus shifted dramatically as we responded to the Red Weather Warning for extreme temperatures. Keeping everyone safe became our absolute priority, and we introduced a number of measures, including offering families the option of keeping children at home, collecting them at 1.00pm before the hottest part of the day, or remaining in school where we ensured children stayed cool, shaded and well hydrated.

I would like to say a huge thank you to all our parents and carers for your support and understanding throughout the week. Completing the online form each day made a real difference, to ensure we knew exactly which children would be in school and which would be collected early. Your cooperation helped us respond quickly and effectively during what was an unusual situation. We are now looking forward to returning to a full week of normality next week, with lots more exciting learning and activities planned.

ATTENDANCE

Heatwave affected attendance
(back next week!)

HOUSE POINTS

Raglan 145

Ludlow 203

Goodrich 178

Chepstow 156

NEWS AND UPDATES: EYES

This half term Buttercups have enjoyed their Friday cooking sessions. They have been star bakers and used their cooking skills to make smartie cookies, scones and pasta salad. There is no doubt that they are definitely budding chefs!

TRINITY NEWS

NEWS AND UPDATES: OPAL

This week, OPAL has seen us keeping cool in the heat – pupils have had an amazing time in the shady forest, building and showing fantastic teamwork. We have also introduced some water play and a shady sand spot to keep cool in! A special well done to Thomas for showing an incredible Team Trinity attitude in helping others which earned him the Golden Welly this week.

NEWS AND UPDATES: RESIDENTIALS

Our Year 4 children had a fantastic time on their residential trip to Malvern last week. They enjoyed a range of exciting activities, including the zip line, climbing wall, quad pole and high ropes, developing their confidence, teamwork and resilience throughout the adventure. It was a memorable experience, and the children returned with lots of wonderful memories and stories to share.

Year 6 had an absolutely amazing time on their residential trip to Bristol! From meeting incredible animals at Bristol Zoo to taking on the challenges at Ninja Warrior, exploring the interactive exhibits at We The Curious, and enjoying a fantastic performance of *Matilda* at the theatre, every day was packed with fun and adventure. On the journey home, the excitement continued with a thrilling visit to Go Ape, where everyone enjoyed hanging around high up in the trees! With the soaring temperatures, the splash pads near the youth hostel provided the perfect opportunity to cool off and have even more fun. It was a memorable few days filled with laughter, teamwork and experiences that our Year 6 children will treasure for years to come.
