TRINITY NEWS

MRS MANNING'S MESSAGE

Dear parents & carers,
What a fantastic week of learning and engagement we have had at Trinity! It has been wonderful to see our children embracing new experiences, getting involved and showing such enthusiasm for their learning.

Our Year 5 children have been busy rehearsing for their upcoming Harvest Festival, working together to prepare what promises to be a lovely celebration.

Meanwhile, our Year 6 children have been developing their confidence and road safety skills through Bikeability, putting their skills into practice and learning how to stay safe when out and about on their bikes.

Our Year 2 children have had a particularly exciting week as they became pirates for the day! This immersive experience is helping to inspire their English writing, giving them plenty of ideas, vocabulary and experiences to draw upon as they develop their pirate-themed stories.

Across school, it has been a pleasure to see such high levels of enthusiasm, curiosity and engagement. Well done to all our children for another wonderful week of learning.

NEWS AND UPDATES: EYFS

This week as part of their 'Marvellous Me' topic, Reception have been learning about families. As well as sharing photos of their own families the children listened to a lovely story called 'Lucy's Picture'. Then, like Lucy, they made their own collage pictures for someone special in their family. How amazingly creative our Reception children are.

TRINITY NEWS

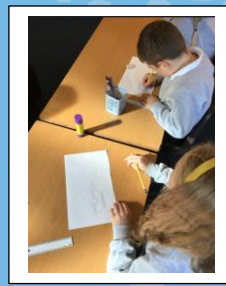

NEWS AND UPDATES:

We had a wonderful crop of Welly Winners this week in our OPAL assembly. Our winners ranged from some fantastic helpers in year three, to a whole host of amazing year 6 pupils who have been helping our reception children to understand how OPAL works and to have fantastic lunchtimes together. Team Trinity is one of our HEART values and this is Team Trinity in action - we couldn't be more proud!

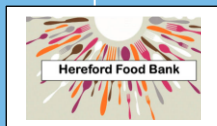

NEWS AND UPDATES:

Year 2 had a fantastic time launching their new English topic all about pirates! During their exciting Pirate Experience Day, the children sampled some pirate food, acted out different pirate jobs and designed and drew their very own pirate ships. What a brilliant way to bring their learning to life!

A fantastic group of Year 6 pupils are taking part in their Bikeability training, developing the skills, confidence and awareness they need to cycle safely and independently. As well as learning how to navigate roads and respond safely to different situations, Bikeability encourages independence, responsibility and confidence – valuable skills that extend well beyond cycling. Well done to a brilliant Year 6 cohort for approaching the sessions with such a positive attitude and showing great enthusiasm throughout!

At this time of year, we reflect and give thanks for what we have, as well as considering how we can help those in need. In assemblies and classes, we will be discussing harvest festival and, if you are able to, we ask for contributions of non-perishables for Hereford Food Bank. At the moment, they particularly request tinned meat, tinned vegetables, rice, tinned fruit, tinned soup, biscuits, ketchup and toiletries. You can view their most needed items on the Bank the Food phone app, just scan the QR code to download the app. Please can donations be brought in by Thursday 15th October, ready for the collection.
