TRINITY NEWS

MRS MANNING'S MESSAGE

Dear parents & carers,

It has been another great week at Trinity, full of new learning experiences, enthusiasm and lots of engagement. It has been wonderful to see our children demonstrating such ambition and embracing every opportunity to learn, while continuing to show our HEART values in all that they do.

This week has had a particular focus on road safety. Our Year 2 and Year 3 children have been learning all about how to stay safe when they are out and about, including how to cross roads safely and make sensible choices around traffic.

Our Year 6 children have also continued with their Bikeability training, developing their confidence and skills to help them stay safe when cycling on the roads. It has been fantastic to see the children engaging so positively with these important life skills.

A reminder that our PTA meeting is on Monday at 3.30pm. We would love to see more parents and carers getting involved. Whether you can give a little time or a lot, every contribution makes a difference and there are lots of different ways you can support the school and our children. Please do come along and find out more – we would be delighted to welcome you!

Have a lovely weekend.

NEWS AND UPDATES: EYFS

Last Friday Reception enjoyed the first of their Friday activity – Forest School, Cooking and PE sessions. They were absolute superstars, joining in with enthusiasm and engagement. Bluebells rolled and pressed cookie dough to make fork biscuits. They all agreed that the biscuits looked, smelled and tasted delicious!

TRINITY NEWS

NEWS AND UPDATES:

This week, Miss Lewis introduced the Year 6 OPAL Mediators in assembly and they have begun their lunchtime duties, supporting children across the school to resolve disagreements and enjoy positive play experiences. Based at the Mediation Hut, they help pupils talk through problems, rebuild friendships and get back to making the most of OPAL. We are incredibly proud of their maturity, kindness and leadership.

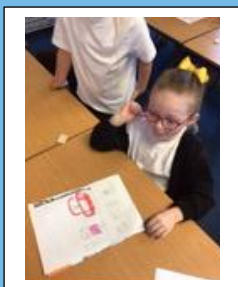

Ask your child about the Mediation Hut and how the mediators could help them get the very most out of their OPAL playtimes!

NEWS AND UPDATES:

This week, Year 2 enjoyed a special visit all about road safety. The children learned about how to stay safe when walking near and crossing roads, discussing the things we should and shouldn't do to keep ourselves and others safe.

We had lots of fun singing a road safety song before putting our learning into practice by creating our own road safety posters. The children listened carefully, joined in enthusiastically and demonstrated a great understanding of the important messages they had learned. Well done, Year 2!

A huge well done to 3GP this week for showing all of our HEART values in their learning and behaviour. It has been fantastic to see the children demonstrating Health, Engagement, Ambition, Respect and Team Trinity throughout the week.

Next week, 3W will be putting their road safety learning into practice as they take part in a walk around our local community. This will give the children the opportunity to develop their confidence and awareness when walking near roads and crossing safely.

We would really appreciate the support of some parent volunteers to help us with the walk. If you are a parent or carer of a child in 3W and are available to help at 10:30am, please email Mr Walker.

benwalker@trinity.hereford.sch.uk Your support will help us to ensure that the children can enjoy this valuable learning experience safely.
