

2ND OCTOBER 2026

TRINITY NEWS

MRS MANNING'S MESSAGE

Dear parents & carers,

It has been another fantastic week at Trinity, with lots of exciting learning and experiences taking place across the school.

Our Year 5 children have been busy rehearsing for their upcoming Harvest Celebration, and we are already looking forward to seeing all their hard work come together when they showcase their performance on Wednesday 15th October. We know they are going to be fantastic!

Our Year 3 children have continued their learning about road safety. They have taken their learning outside the classroom, practising how to cross roads safely and developing their understanding of how to keep themselves and others safe when out in the community.

Meanwhile, our Reception children had a very special celebration this week as Pete the Cat turned 5! There was plenty of excitement as they enjoyed celebrating this special birthday together.

Well done to all of our children for another week of enthusiasm, engagement and fantastic learning. It has been wonderful to see our Trinity Traits and Heart Values shining through in so many different ways.

Have a lovely weekend and I look forward to another busy and exciting week at Trinity next week.

Goodrich 472

Chepstow 547

NEWS AND UPDATES: EYFS

This week in maths Poppies, Bluebells and Buttercups have been using their amazing matching skills to sort objects in to sets. But the highlight of the week in EYFS has been celebrating Pete the Cat's birthday! The children learned about how we grow and change as we get older and the different ways we celebrate our birthdays. Great fun was had making birthday cards, birthday crowns and playdough cakes for Pete. Another brilliant week of playing and learning in Reception.

2ND OCTOBER 2026

TRINITY NEWS

NEWS AND UPDATES:

Our OPAL playtimes have been buzzing with creativity! Children have been putting their engineering skills to work, using wooden pallets to build incredible dens, forts, and outdoor shelters. It's wonderful seeing them collaborate, problem-solve, and create their own imaginative hideaways.

To keep the building fun going, we are always on the lookout for more wooden pallets!

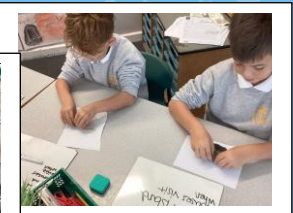

If you or a local business have safe, untreated pallets to donate, we'd love to take them off your hands. Let us know if you have any to spare, and we'll arrange collection or drop off.

NEWS AND UPDATES:

As part of our exciting Stone Age topic in History, Year 3 have been learning how people in the Stone Age made and used clay pots. We discovered that they collected natural clay and shaped it carefully. We then had a go at making our own clay pots, just like Stone Age people would have done thousands of years ago!

It was a fantastic opportunity to bring our History learning to life and experience what life might have been like during the Stone Age. We were very proud of our creations!

We are hoping to run a PTA Disco on Thursday 12th November, and our wonderful PTA are looking for enthusiastic parent and carer volunteers to help make the evening a fantastic event for our children. Whether you can help with setting up or simply lending a helping hand on the night, **every bit of support makes a difference**. If you are able to volunteer, please get in touch. Unfortunately, if we do not get the number of volunteers needed the event will not run. 🌐 🎵 ✨

As part of our Harvest celebrations, we would like to support Hereford Food Bank and kindly invite families to make a food donation, if they are able to.

Please visit their website to find out which items they are currently accepting for donation: <https://herefordfoodbank.co.uk>

Donations can be brought into school anytime between now and 16th October.
