TRINITY NEWS

MRS MANNING'S MESSAGE

Dear parents & carers,

What a busy and exciting week we have had at Trinity. It has been wonderful to see so many fantastic learning opportunities taking place across the school, with our children demonstrating enthusiasm, engagement and our Trinity Traits in everything they do. We have continued to focus on our value this half term, Health, thinking about how we can look after both our physical and mental wellbeing.

Our Key Stage 2 children took part in an exciting Guinness World Record challenge as part of the National Literacy Trust's Take 10 to Read campaign, celebrating the importance of reading and making time to enjoy a good book.

Some of our Year 3 and Year 4 children also represented Trinity brilliantly at Bishop's High School, where they took part in a team-building event, demonstrating fantastic teamwork, communication and respect.

Meanwhile, our Year 6 student leaders have been busy preparing their upcoming assembly presentation on 'Trinity Traditions'. I am looking forward to seeing them share their ideas and celebrate the special traditions that make our school community so unique.

Well done to all our children for another fantastic week of learning. Thank you, as always, to our staff for providing such wonderful opportunities and experiences for our pupils.

NEWS AND UPDATES: EYFS

Having listened to the story of 'The Little Red Hen' Reception had great fun imagining and drawing characters who would help the hen to make the bread. They learned how bread is made and enjoyed tasting different types of bread. There was an eagerness to demonstrate their amazing subitising skills in maths when playing the game '2 or not 2'. They also loved welcoming their parents in to school for a reading workshop as it was a great opportunity to share books and show off their phonics knowledge. What a busy week in EYFS!

TRINITY NEWS

NEWS AND UPDATES: OPAL

The weather is starting to turn colder and wetter, but that won't stop the fantastic play opportunities on offer at Trinity! To help children know when the field is particularly muddy, we have introduced a new system. If pupils see the Golden Welly displayed, they will need to wear their wellies on the field.

To make sure your child can enjoy outdoor play comfortably in all conditions, please provide a pair of wellies and waterproof clothing. If you have any difficulties with this, please ask, as we don't want any member of Team Trinity to miss out. Whatever the weather, the play opportunities will keep on coming at Trinity!

on the Shed

News and updates: Black History Month 2026

Throughout October, we are celebrating Black History Month, with this year's theme of 'Honouring Our Communities'. Each year group is learning about an inspirational individual, exploring their achievements, challenges and lasting impact.

Reception – Mae Jemison Year 1 – Martin Luther King Jr. Year 2 – Mary Seacole Year 3 – Harriet Tubman Year 4 – Nelson Mandela Years 5 & 6 – Floella Benjamin

Through this learning, we aim to celebrate diversity, promote equality and inspire our children to make a positive difference in their own communities.

What does it mean to be part of Team Trinity? Our School Council and House Captains have started an exciting project exploring the traditions, values and experiences that make Trinity special.

Our **Trinity Traditions** will bring together our principles, charity and community work, transition activities, alumni links and special events. This will include supporting causes such as St Michael's Hospice, the Little Princess Trust, the Wildlife Trust, local older people, Children's Mental Health Week, the Foodbank, Red Nose Day, Children in Need and the Poppy Appeal.

We want our children to help shape what it means to belong to Team Trinity and to feel proud of the difference we make together.
