Assessment		
Working towards		Working at
PSED Birth to 3 Establish their sense of self. Express preferences and decisions. They also try new things and start establishing their autonomy.		PSED 3-4 years Develop their sense of responsibility and membership of a community. Begin to understand how others might be feeling.

Notice and ask questions about differences, such as skin colour, types of hair, gender, special needs and disabilities, and so on.

UTW 3-4 Years - Continue to develop positive attitudes about the differences between people.

In this Puzzle (unit) children are encouraged to think about things that they are good at whilst understanding that everyone is good at different things. They talk about being different and how that makes everyone special but also recognising that we are the same in some ways. The children talk about their homes and are asked to explain why it is special to them. They talk about friendship and how to be a kind friend and how to stand up for themselves if someone says or does something unkind to them.
